

Capital University cheerleaders are some of the best in the state of Ohio. Being a Crusader cheerleader can be a rewarding experience. It's a chance to meet new people and establish lifelong friendships, travel, be visible on campus and in the community, and to be an active participant at numerous sporting events. The CU cheerleading program prides itself on being honest, respected and a program with integrity.

I invite you to visit our cheer recruitment game on Saturday November 9th and talk with the coaching staff about how you could fit into the Capital Cheerleading program. If you have not already done so, please call our Admissions office to set-up a time to visit our beautiful campus! After your visit, I am sure you will see why so many students pick Capital and why so many athletes continue their athletic career at Cap. Please feel free to contact me and reserve your spot at our recruitment event, see you on November 9th!

All the best and have a wonderful senior year!
